## Supporting the House of Lords Committee on Youth Unemployment

We want to hear from **young people aged 16-25** with experience of unemployment and organisations that support them – this is your chance to shape the future.

### Three key questions:

- 1 What was your biggest barrier to finding work?
- 2 What could school/college have done differently to better prepare you to find work?
- 3 How could the support offered by Jobcentre Plus / DWP have been most improved?

### What can you do?

#### If you are a young person, you can:

- Tweet your thoughts to **@LordsYouthUnemp**
- Send a short video or message by **Whatsapp to 0207 219 6612**
- Email your thoughts to **hlyouthunemployment@parliament.uk**

#### If you are an organisation working with young people you can:

- Set up a discussion session with young people you work with and share key points and anonymised quotes to: **hlyouthunemployment@parliament.uk**
- Submit evidence about your views and experience at the link below.

The House of Lords Committee on Youth Unemployment is gathering evidence from a wide range of individuals and organisations and will work towards a public report at the end of 2021.
